Automated vs. Manual Label Printing and Applying

Experience faster and easier wire and cable identification with the automated print-and-apply capabilities of the Wraptor A6500. By combining both the printing and application of labels in one easy-to-use unit, the Wraptor A6500 turns a series of labour-intensive, inefficient tasks into a modern automated process.

Find out how much you could save with the Wraptor A6500, instead of manually printing and applying labels:

Answer these four questions to determine your savings

What is your hourly labour cost? €

How many labels do you apply per month?

How many seconds per label do you expect to save using the Wraptor versus hand applying?

What is the price difference per label of your current label vs. a Wraptor label? €

Your savings

Labour cost saving per applied label

Total labour cost savings annually

Total number of hours saved

Label price difference

Total savings minus cost of Wraptor (MSRP €14.013)

With the proven time and cost savings, it's easy to see how anyone who frequently prints and applies labels will enjoy the improved ease and efficiency of the Wraptor A6500.
